

# Security update

13 June 2014

## CORRESPONDENCE FRAUD

We have recently learnt of fraudulent activity using the First Security name. This activity involves a letter stating a 'diplomatic consignment' has been received in the name of the recipient and requests payment for clearance and storage in order to receive the goods and clear the debt.

We confirm this activity is not generated by or connected with First Security (Guards) Limited, and have contacted Metropolitan Police Service and the Fraud Squad to raise an investigation. If you receive such a notice, please forward to us and we will forward to the Metropolitan Police Service and Fraud Squad to assist in their investigation.

Should you receive any correspondence from our company or that appears to be from our company, of which you are unsure – please contact us and we can verify its authenticity for you.
